

Get Ready for Schoharie Youth Soccer!

**Registration 9/11/22 from 2:00-4:00
At the SCS Pavillion**

Schoharie Youth Soccer is making plans for the fall! Serving children and families of the Schoharie Central School District for over two decades, **SYStem** soccer provides a co-ed recreational program for boys and girls in PreK-6th grade. Emphasizing sportsmanship, skill development and teamwork, the program offers all children the opportunity to enjoy themselves in a low-key, fun-filled environment.

The System Soccer season will begin with the annual registration day at the SCS Pavillion between 2-4 on Sunday, September 11th. Following the registration, the SYStem coaches will meet to set up teams on September 13th and call team members to advise them of practices. Games will begin on Sunday, September 25th and run through October 30th (6 weeks). Children residing within the Schoharie School District are eligible to register.

Financial hardship **should not** be a limitation to participation in the regular season program- Families are encouraged to reach out to the League Officers to discuss individual circumstances.

Applications are being sent home with children in Pre-K-6th grade and are available in the Elementary School Office. Anyone with questions regarding the SYStem program should contact League Officers, Jen Hellstrom (694-6490) or Chris Kenny (708-5143).

Your School District has been asked to distribute this flyer in an effort to make the community aware of this event. The District is not promoting or sponsoring this activity.
