- Proactively address problems and pressures as they relate to students before such problems manifest into socially and legally unacceptable behavior. These problems may involve the use of alcohol, drugs, and tobacco. They may also involve peer pressure, gang activity, and sexual activity;
- Provide a positive role model to students; and
- Attend sporting events and extra-curricular activities when requested to do so by the District's Superintendent or his/her designee; and

If at any time during this Agreement, the license and/or required credential of any individual providing services is revoked, terminated, suspended or otherwise impaired, the County shall prohibit such individual from performing services and immediately notify the District. The District reserves the right, as its sole discretion, to reject an individual from performing services which it reasonably believes is inappropriate for any reason.

4. Fingerprinting and Criminal Clearance

The County agrees to use best efforts to cooperate with the School District to have any individuals providing services who will have direct contact with students on School District premises to furnish fingerprints and submit to a criminal background check and clearance by the State Education Department's Office of School Personnel Review and Accountability (OSPRA) prior to performing services. These best efforts may include, but are not necessarily limited, to completing paperwork and filing such paperwork with an appropriate agency, e.g. BOCES, for the purpose of submitting for criminal clearance.
