Notes from the Nurse

- **Reminder for our 5th Grade Parents/Guardians:**
Tdap vaccine is required for all students age 11 or older entering grade 6. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.
- Remind your student to take a look in the Lost and Found located at the back of the Cafeteria for any lost items!!
- Remember to request a copy of your student's annual physical to send in to school to keep their health chart up to date.

Note from the Principal

As the year comes to a close and we reflect on all of the amazing experiences from this year from a new playground, to learning to stop bullying by becoming "Sweethearts and Heroes," our community has grown together. Our learners tackled so many challenges academically, too! The past few days they are proudly sharing how much they've grown in their reading levels, and all of the math skills they've learned. This month is full of field trips, field days, carnivals, picnics, moving up celebrations, and ABC countdown fun to wrap up an amazing year.

We look forward to seeing all of the students who will be joining us in our Summer Enrichment program July-August, and wish the rest of you a very safe, happy summer. Keep reading, and we will see you in September.

Sincerely,
Mrs. Polikoski

EPTSO Corner June 2023

Events- The EPTSO is hosting a Carnival on June 2nd from 6-8pm. All elementary families are invited to attend. There will be free fun and games along with free hot dogs, cotton candy and popcorn. We hope you all can make it!

Parents- This month the EPTSO is funding field trips to the Adirondack Animal Land, the Farmer's Museum, the Iroquois Museum, the Huyck Preserve and the Dutch Apple Cruise in Albany. We couldn't do all this without your support, thank you!

Teachers- We hope you enjoyed the catered luncheon during Teacher Appreciation week in May. Thank you to all of the parents who contributed to the meal.

Students- Don't forget to check out the Little Free Library at school. There are books for all readers. Be on the lookout for special giveaways too!

Organization- Consider joining the EPTSO and being a part of the fun. Meetings are announced via School Messenger, so check your email for notifications.
