SCHOHARIE FEST

By: Annabel Abbott and Kaylee Fetter

Today you will hear about Schoharie Fest and the person that made this all happen, the one and only Mrs. Styles!!!

On Wednesday, October 19th, 2022, Schoharie Central School had an extraordinary event... Schoharie Fest! It was hosted by Mrs. Styles. Throughout the school day, all grades got to have extraordinary experiences with fun activities and interesting people who came to the school to share stories and facts about their lives and other people's lives.

In Kindergarten, they got to learn how to press apples and churn butter. They also learned about Japanese Culture. In First Grade, students did a gallery walk. They saw interesting artwork by local artists. Second grade learned from Yajaira Lopez about Puerto Rican culture. Third Grade made Origamis with Motoko. Fourth Grade students listened to John Florussen talk about Australia, because he's from there. Fifth Grade heard from a Holocaust Survivor! They also did Revolutionary War Marching Formations.

Here are some questions and answers from our fabulous Mrs. Styles!

What was your favorite part of the Schoharie fest?

My favorite part of the Schoharie Fest was seeing our students and staff engage in learning in a variety of ways throughout the course of a whole day. There was something for everyone!

How did you come up with the Schoharie Fest idea?

Through a variety of experiences, I had heard about similar events being held at other districts. In order to make the event more meaningful for our students and staff I wanted a large part of the focus to be on sharing some of the diversity within our own school community. By engaging with local individuals and organizations we were able to expose students and staff to some local history and culture.

Will we do it again?

I'm hoping that we can do it at some point in the future, yes... but how frequently is yet to be determined!

That is the end of our article about the Schoharie Fest 2022 and what each grade did! I hope you enjoyed it! Thank you for reading!

BOOSTERTHON

By: Annabel Abbott and Kaylee Fetter

Interviews by: Annabel Abbott, Kaylee Fetter, and Mackenzie Oliver

Today you will hear about the EPTSO Boosterthon and the reason why it happened.

Last Year, from October 24th through November 4th, 2022, the Schoharie Elementary School had a Boosterthon. The Boosterthon is an EPTSO fundraising program. We learned about having positive character traits. Money was raised for fun field trips and events.

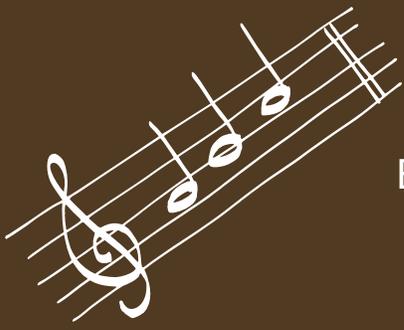

During the Boosterthon, we got to run on the track. We had some music to listen to that was provided by Mrs. Tebbano. Can you believe that Mrs. Polikoski was taped to the wall?

After the Boosterthon, we interviewed Mrs. Polikoski, our elementary school principal, about the Boosterthon.

Mrs. Polikoski got taped to the wall because it was all of the students' award for participation! (She said she used tape because staple guns would have hurt.) Mrs. Polikoski did not like getting taped to the wall, but she loved seeing everyone's faces when it happened. She was not afraid of falling off the wall because she had full confidence in her team.

Thank you everyone for participating! Thank you, Mrs. Polikoski, for having fun with us! We had a lot of fun, too!

BAND

By: Annabel Abbott and Kaylee Fetter

Today, you will hear about the proud and wonderful director of the 5th - 8th grade band, Dr. Solinger! These are some facts about the band teacher. We asked him some interesting questions, and he gave us some spectacular answers.

Dr. Solinger loves the sound of all instruments, but his most favorite is the trombone because it was the first instrument he ever played. He loves being a band teacher! He said he loves being a band teacher because there is nothing more rewarding than seeing students get excited about music and watching them improve!

Dr. Solinger says there are no tricks or hacks to play instruments except to practice.

He is even in a bunch of rock bands!

Dr. Solinger lived and worked in New York City, but it stressed him out. He used to go fishing with his dad up here, so he learned about this area. He wanted to live in the country. He learned from his teacher friends that the music program at Schoharie Central School was really good.

He has been teaching for 9 years total and has been teaching at Schoharie for 6 years! Dr. Solinger also taught at a bunch of Catholic schools. A little something extra about him is that a lot of his students call him nicknames! One of his favorite nicknames is Dr. Salamander!

Dr. Solinger became a band teacher for many reasons! Some reasons he likes being a band teacher are because he absolutely loves music and he loves working with kids. He was inspired by the awesome music teachers he had growing up.

That is some interesting information about Dr. Solinger! We recommend you try out Band when YOU are in 5th grade!

THANK YOU, MRS. GELLMAN

By: Annabel Abbott and Kaylee Fetter

Today you will hear about what Mrs. Gellman did for our school, and a thank you for what she did while Mrs. Couture was gone with her wonderful new baby. We all are so thankful for her.

Mrs. Gellman stepped in as the music teacher from February 9, 2023 - May 4th, 2023. One of the reasons we are thankful is because without Mrs. Gellman, we would have had no music class! She did so many fun things with us.

One of the things that Mrs. Gellman did was a Get to Know You Game. We would sit in a circle and pass a stuffed turtle, and whenever the music stopped, the person that got the stuffed turtle at the end would pick a question out of a cauldron, then the person with the turtle would answer. She also did another game where she would sing something like, “do mi doo.” Then she would put her hand on her chest, but if we sang with her hand on her chest, she got a point. If we sang when her hand was off her chest, then we got the point. The first one to get five points won.

Mrs. Gellman was so fun, nice, and amazing! I hope we can see her in the elementary school again. OH, and don't forget to say thank you if you ever see her again.

OTHER FUN EVENTS OF THE SCHOOL YEAR

By: Annabel Abbott, Kaylee Fetter, Joseph Robert, and Leah Seamster

Today you are reading about some of the events that happened here at Schoharie School this year!

Veterans

On November 9, 2022, Schoharie Elementary celebrated Veteran's Day with Veterans. We'd like to talk about the veterans that devoted their time to come here. We are super thankful that they came to our school to be with us for some time. Also, in case you didn't know what veterans are, they are very amazing people that fight for our country! They are very important, not just to this school, but to the world! Also, during Veterans Day, we sang songs to the Veterans, and some Elementary students walked their Veterans in!

The Kindergarteners marched to "Stars and Stripes Forever!" Mrs. Yager's class recited a poem for the veterans! The High Schoolers sang the national anthem! Don't forget the Middle/High School's instrumental band played, too! We also had a presentation about bald eagles.

Did you know we have a Veteran in our school? His name is Mr. Toro. The 5th grade recognized Mr. Toro and thanked him for his service on Veterans Day. He works with the 5th grade and in other areas around the school. He also helps at the crosswalk every day. If you see him, be sure to say hello!

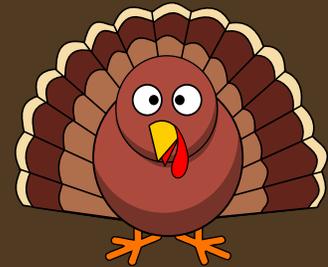

The Veterans heard us sing loud and proud in their honor! Also, the elementary choir, Ashtyn Hofmann, Michaela Burton, and other soloists sang for our soldiers, their families, and all of the Schoharie scholars.

Thanksgiving

On November 17th, 2022, Schoharie Elementary had a Thanksgiving lunch with families. We had some really good food and a fun time with friends and family. Some of the food included turkey, mashed potatoes, and gravy. It was yummy! Did you like the food? We did.

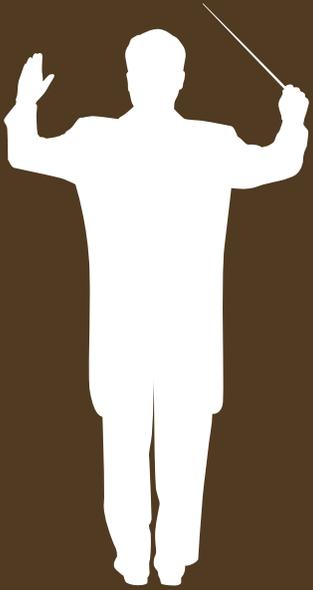

Book Fair

Our school had two Scholastic Book Fairs in the library this year. The first was November 21-25. We chose from brand new books, posters, and pencils, pens, notebooks, bookmarks, and other cool items! Another awesome thing about the Book Fair is that there is a scheduled free time after school when families can come down to buy items! We also had the Book Fair from May 8th to the 12th! Students and families could bring some money and enjoy their new books!

Concerts

On December 20th, 2022, There was the winter Band and Choir concert! They did such a great job! On May 2nd, 2023, the Junior/High School students had a band/rock band concert. There were 5 Jr/High students playing for the rock band. Also, for the regular band, the 7th grade through 12th grade had a band concert. They sounded really good, too!

On Thursday, May 25th, 5th through 8th graders marched for Band in the Schoharie parade! On May 29th, the 5th grade and 6th graders marched for Band in Central Bridge and Esperance, as well! We hope you came to watch! Also, on June 8th at 7 PM in the High School Auditorium, the 5th and 6th graders had a Band Concert!

If you went to see them, thanks!

Talent Show

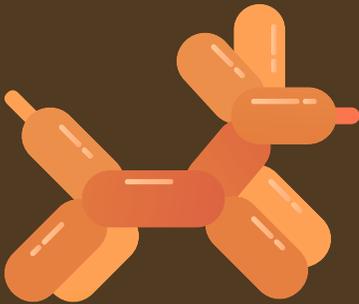

On May 5th and 8th, some Elementary students chose to audition for the talent show! On May 17th, the Elementary students that auditioned and got into the talent show had a dress rehearsal for the school in the morning. That night they performed the talent show at 6 pm for families! Tell them good job! We had some singing, dances, skits, gymnastics and many more!

Carnival

On Friday, June 2, 2023, the EPTSO hosted a Carnival! The Carnival included the epic playground, families, friends, food, drinks, and much entertainment! Games included a bean bag toss, rubber duckies, a ball in a basket game, hula hoop toss, corn hole, ring toss, sack race, a fire hose game, a knock down can game, and inflatable bowling. Other activities included the painting of kindness rocks, balloon animals, tattoos, face painting, bubbles, jump roping, sand art, a selfie station, a Schoharie Free Library station, and Mrs. Tebanno as our in-house DJ! Hotdogs, popcorn, and cotton candy were provided for all! We hope you came! Wasn't it awesome?

Thank you so much for reading all about our special events! As you can see, we had a very exciting and busy year. In addition to learning, there was so much that was fun to do or to watch! We really appreciate everything everyone has done to make our school great!

AFTER-SCHOOL CLUB INTERVIEWS

Lego Robotics with Mrs. Bikowicz

By: Carolina Benninger, Molly Robert, and Ashlei Zwick

A great club Schoharie students can choose from is Lego Robotics. Before we share our interview, we would like to talk about Mrs. Bikowicz and how important and amazing she is. She is an amazing STEAM teacher and she is very kind. Did you know STEAM stands for science, technology, engineering, art, and mathematics? Now let's get to our interview with Mrs. Bikowicz.

What do you do in Lego Robotics?

We build robots out of Legos and code them to move.

What materials do you use to make robots?

Lego Wedo 2.0 and Lego Mindstorms [are the robot materials we use]. We use an app on the iPad to make them move.

What types of robots do you make?

It depends on what the kids make. There are many combinations that can be made and they choose which one they want to build.

What is your students' favorite activity to do in Lego Robotics?

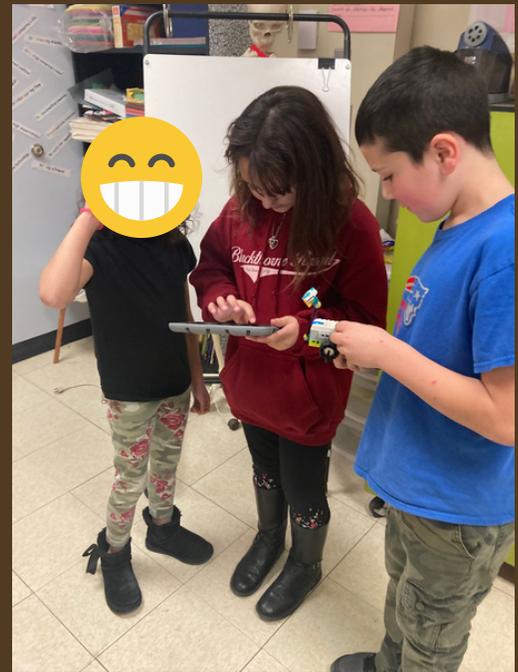

Coding

Do you have your students vote on what they get to make or do you choose the project for them?

They get into groups of two and the partners agree on what to do.

Do you make anything besides robots?

Not really, but we make robot dogs, bugs, windmills, etc.

What is your favorite project you have completed in Lego Robotics?

A robotic hand was made by a student in fifth grade, and their partner was absent from school that day, so they made it all by themselves.

How often do you meet in Lego Robotics?

Monday: grades 3-5
Tuesday: grade 5

Why did you start Lego Robotics?

I love robotics, and I do robot camp when I'm off of school.

When did you have the idea for Lego Robotics?

As soon as I started teaching here. (This is Mrs. Bikowicz's first year teaching at Schoharie.)

Why did you come to Schoharie?

I love STEAM.

What is your favorite thing about being a teacher at Schoharie?

The kids, of course! "You guys are great!" said the amazing Mrs. Bikowicz.

Here are some fun facts about Mrs. Bikowicz:

Do you have Lego sets at home? Which is your favorite?

Yes, I like just basic Legos.

Who is your favorite Lego character?

All of them.

Everybody Loves Intramurals!

By: Carolina Benninger, Molly Robert, and Ashlei Zwick

Ashlei Zwick and Carolina Benninger are both in Intramurals, and they are going to share some facts and their experiences being there. Intramurals is an after-school program that helps students exercise through different types of fun games and activities. Before we start, we would like to thank Mr. Monescalchi and Ms. Jackson for being our P.E. teachers and running Intramurals.

Let's start with facts:

1. Intramurals is only for 4th and 5th graders. 4th grade meets on Tuesdays, and 5th grade meets on Wednesdays.
- 2 There are three sessions per year: Fall, Winter, and Spring.
3. Three strikes and you are out of Intramurals.

Strike 1: Miss 1 day of Intramurals
Strike 2: Miss 2 days of Intramurals
Strike 3: You are out of Intramurals for the year.

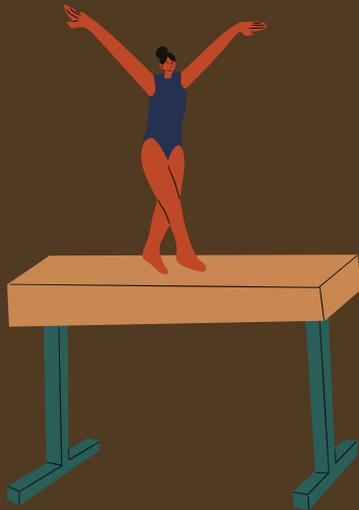

4. If you don't participate in P.E. class that week, then you have to sit out of Intramurals for the day.

Now we will talk about our experiences:

1. We play one large game per day and then we have free time at the end. Free time includes reading, drawing, and talking with friends.
2. We play a lot of games like dodgeball, squat ball, kickball, wiffleball, ropes, chicken in the barnyard, gymnastics, sledding, and lots of other fun games.
3. Intramurals like P.E., but it's after school.
4. If Ms. Jackson or Mr. Monescalchi does not have a game prepared, we vote on what game to play weekly. Most students prefer to play capture the flag, dodgeball, and kickball.
5. We play on different teams every week.
6. We play both outside and inside, depending on the weather.

We hope you consider signing up for Intramurals next year! We know we will!

Book Club with Mrs. Cater

By: Kayson Rossler and Leah Seamster

Hello! Here we have a stunning interview with Mrs. Cater, who is in charge of our school library. We interviewed her about the Book Club. Mrs. Cater has worked at Schoharie for 12 years. She loves coming here and seeing happy faces! She was a student here and has loved this school ever since. A quote she lives by is, "Be kind to everyone."

Some fun facts about Mrs. Cater are:

- If she could go anywhere in the world for free, she would go to Hawaii.
- Her favorite superhero is Wonder Woman.
- Her favorite cartoon character is Tom and Jerry.
- Her favorite Lego character is Batman.

Below is our interview with her.

In your opinion, what is the most fun thing that has happened in Book Club?

When we do scavenger hunts - I love seeing the kids look for books.

What is your favorite book that you have read?

The Miraculous Tale Of Edward Tulane by Kate DiCamillo

How many books have you read so far in the Book Club?

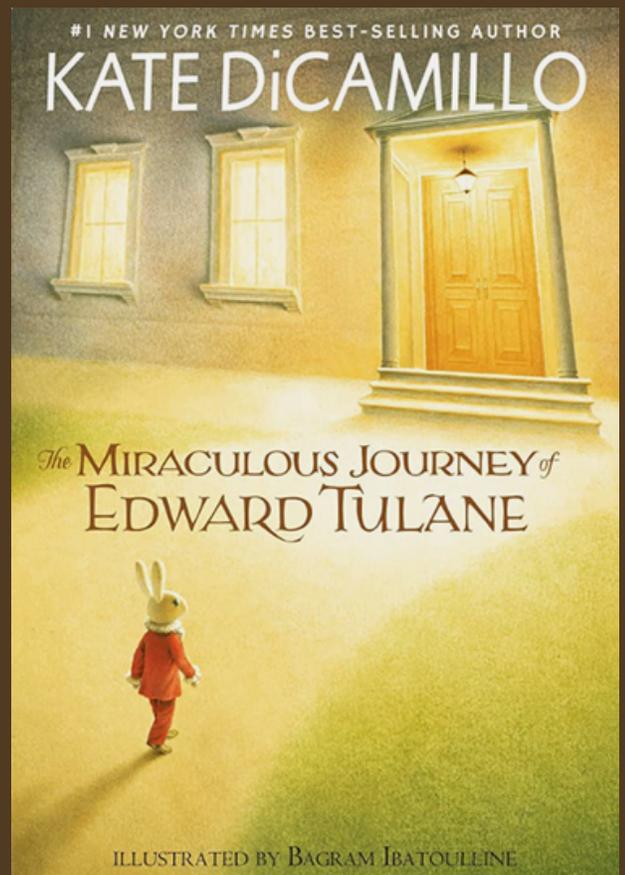

5 in total.

In Book Club, what is the longest book you have read so far?

Charlotte's Web by E.B. White

Why did you decide to volunteer to start a Book Club in our school?

Reading is my favorite thing.

What do you love most about working in the library?

I get to see everybody every week!

How often is Book Club?

We meet once a week.

What books would you recommend to ages 8-11?

Black Beauty by Anna Sewell and Holes by Louis Sachar

What do you want older kids to know when entering the library?

They should find a book at their reading level.

What is your best advice to older readers?

Stick with books that interest you.

What is your usual state of mind when a reader might be struggling to pay attention?

I try to refocus them.

Do you read as a group together, or do you read independently?

We read as a group.

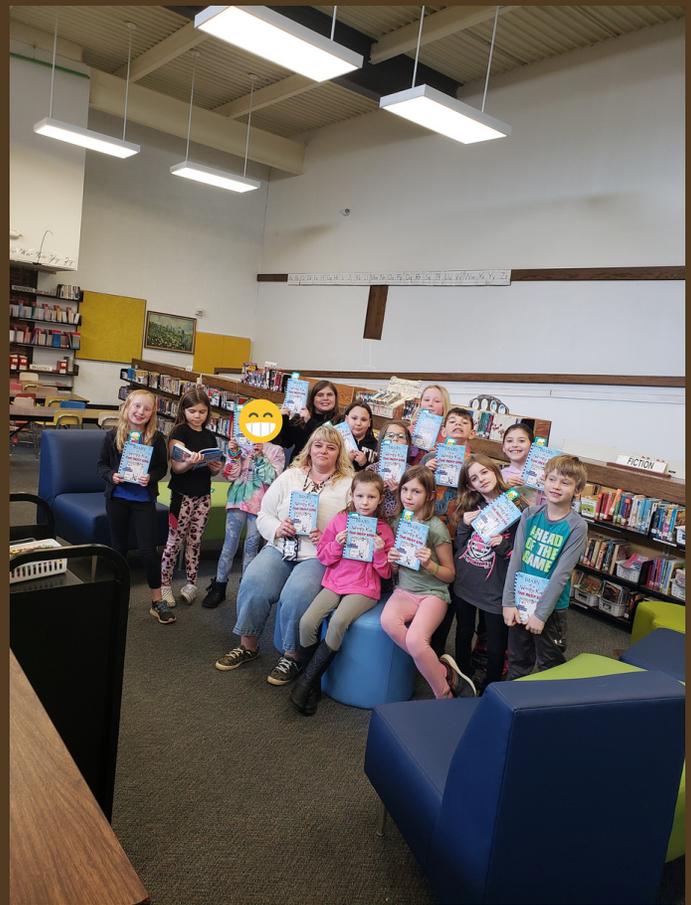

Do you do activities based on the books you're reading?

Yes! We make fun packets.

Is there anything you would like to add about Book Club or reading?

I hope the book club members talk about it to get others to join.

Let's give a huge thank you to Mrs. Cater for letting us interview her! Definitely consider joining Book Club next year!

Let's Read with the Book Club... with Mrs. Reynolds!

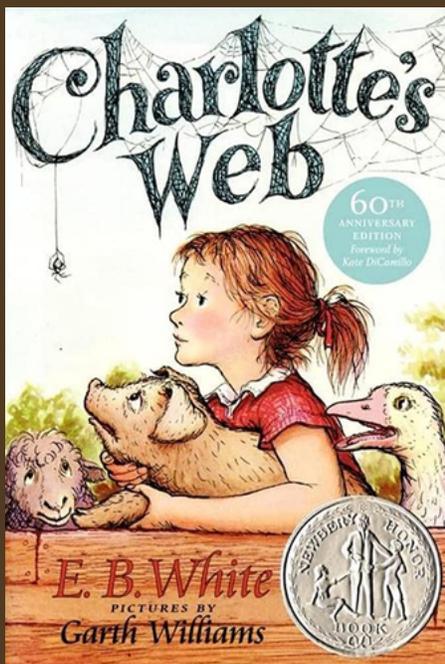

By: Kayson Rossler and Leah Seamster

Hello! Here is a marvelous interview with Mrs. Reynolds, who also runs the Book Club. She has worked at Schoharie since 2019 as a Teacher's Aide. She got involved at Schoharie because she was volunteering at the book fair. Mrs. Reynolds loves the kids and teachers the most about our school. She said, "I have met some of the nicest people here." Coincidentally, her mom was a teacher, and she loved helping her set up her room and grade papers. A quote Mrs. Reynolds lives by is, "Hope springs eternal."

Some fun facts about Mrs. Reynolds are:

- If she could go anywhere in the world for free, she would go to Ireland because some of her family is there, and she really wants to meet them. Everyone in her family has been there except for her.
- Her favorite superhero is Princess Diana because she was an amazing person and always helped everyone no matter what.
- Her favorite cartoon characters are Bluey and Bingo.
- Her favorite Lego character is Batman.
- She has a five-year-old gray kitty named Foxy, a cat named Lily who has gray stripes, and two all-white kittens that are brother and sister. The two kittens are named Bunny and Oliver. They are 4 months old. One of them has two blue eyes, and one of them has a blue eye and a green eye.

Next, we have the Book Club interview with her.

In your opinion, what is the most fun thing in Book Club?

The books we read.

What is your favorite book that you have read in Book Club?

Charlotte's Web by E.B. White

How many books have you read so far?

Six this year!

What is the longest book you have read so far?

Harry Potter and the Sorcerer's Stone by J.K. Rowling

Why did you decide to volunteer to start a book club in our school?

Kids were begging for a book club, so Mrs. Cater and I made one.

Do you love books? Why or why not?

I love books because you can escape anywhere you want and leave reality behind.

How often is Book Club?

We meet twice a week for second grade and once a week for fifth grade.

What do you want younger kids to know when entering the library?

You can get any book you want! Even if there is a book you want that isn't at our library, we can order it online from another library.

What is your best advice to young readers?

The more you read, the more you know!

What is your usual state of mind when a reader might be struggling to pay attention?

I usually switch seating arrangements.

Do you read as a group together, or do you read independently?

I read the books to the group! That way, students can listen, follow along, and enjoy the story. That way struggling readers can enjoy it, too.

Do you do activities based on the books you're reading?

We have! We have done coloring activities. We are hoping to do more.

Is there anything you would like to add about Book Club or reading?

I love to read! There is a free library in front of the school that you should check out, as well.

Let's give a huge thank you to Mrs. Reynolds for letting us interview her! Doesn't the Book Club sound interesting? We hope you can join next year!

Adventure Club's Adventures!

By: Annabel Abbott, Carolina Benninger, Kaylee Fetter, Joseph Robert, Molly Robert, and Ashlei Zwick

Adventure Club is a club where students get to go on many explorations! Students said they went rock climbing at Minekill and Kane Mountain. They wore special gear like snow gear, snowshoes, backpacks, and a harness, depending on where they went and what they did. Now it is time to find out why they started Adventure Club! Mr. Blanchard, our school superintendent, offered the option to start Adventure Club.

Mrs. Thalheimer and Mrs. Hannan like to go on hikes, and the students like to explore. The Adventure Club's longest hike was 3 miles long before they went camping! The Adventure Club's favorite hike was at Kane Mountain. The Adventures Club's favorite activities are mining, rock climbing, and hiking.

Adventure Club is looking forward to going camping! They plan to go to a rope course and camping by the end school year. Kids in the Adventure Club say that rock climbing and hiking can be scary. The Adventure Club needs good shoes, food, and water for hiking. For rock climbing, they need a harness and shoes. The gear for some of their adventures have been provided by The Schoharie County Youth Bureau, Minekill State Park, and the rock climbing facility.

The Adventure Club meets every Wednesday and has a unique adventure every single month. Does this sound fun to you? Keep an eye out for the Adventure Club and sign up next year!

Just Run!

An Interview with Mrs. Thalheimer, Mrs. Borst, and Mr. Toro

By: Carolina Benninger, Molly Robert, and Ashlei Zwick

Hello, Schoharie Scholars! We have some questions answered by Mrs. Thalheimer, Mrs. Borst, and Mr. Toro about the famous Just Run program here at Schoharie Elementary School. We have been working really hard, and we have put this interview together, so we hope you enjoy it!

Let's get started...

How long have you been working at Schoharie?

Mrs. Borst: 15 years

Mrs. Thalheimer: 4 years

Mr. Toro: 5 years

How did you get involved in Just Run?

Mrs. Borst: They needed a coach, and I like running.

Mrs. Thalheimer: Mrs. Borst sent out an email to ask if anyone would help, so I signed up.

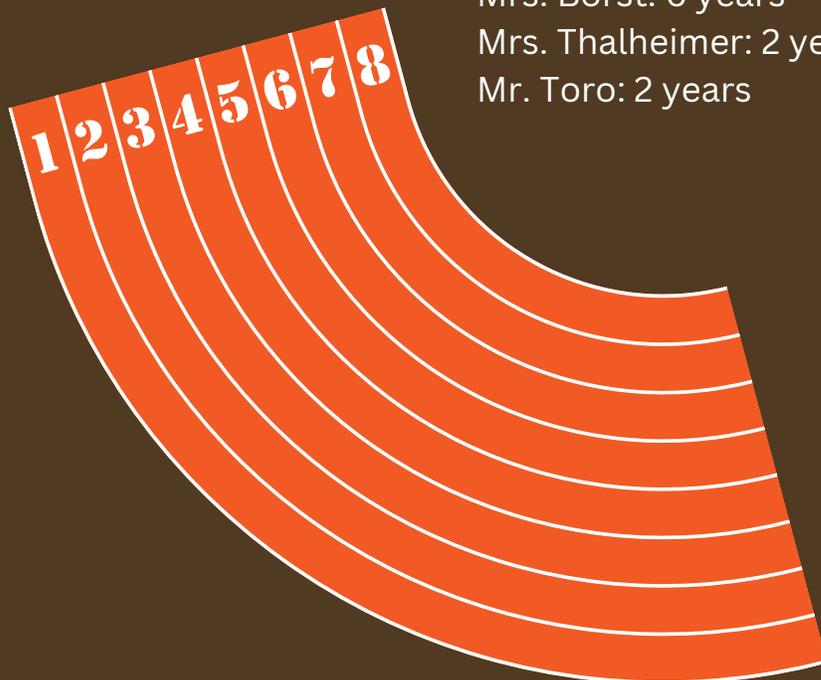

Mr. Toro: I Like sports.

How long have you been coaching Just Run?

Mrs. Borst: 6 years

Mrs. Thalheimer: 2 years

Mr. Toro: 2 years

What is your favorite animal?

Mrs. Borst: Cheetah

Mrs. Thalheimer: Dog and a donkey; I'm not sure why donkey... I think they're cute.

Mr. Toro: Dog

How far has your fastest kid run?

Mrs. Borst: 3.1 = 5k

Mrs. Thalheimer: 2 miles

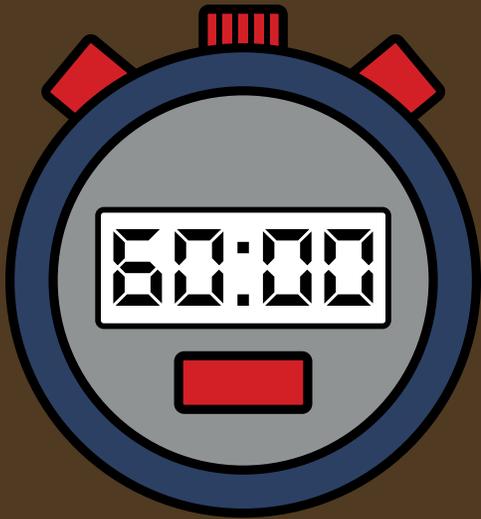

Mr. Toro: 2 miles

Why do you have your kids run less in the spring and more in the fall?

Mrs. Borst: Fall is when we have cross country, and spring is when we have track.

Mrs. Thalheimer: In the spring, we do track, and in the fall, we do cross country.

Mr. Toro: Because in the fall, they run on dirt.

Why do you think this is good for all the kids?

Mrs. Borst: Being active is good for you.

Mrs. Thalheimer: Exercising and doing activities with their peers is good for them, and also, they can learn about track in a fun way. It is also very healthy for you.

Mr. Toro: It gives them a reason to run.

What kind of running activities do you do?

Mrs. Borst: They just do some running games.

Mrs. Thalheimer: I do marathons that have big medals to win.

Mr. Toro: They play rabbit and relay races.

What is everyone's favorite activity?

Mrs. Borst: Everybody likes to play tag.

Mrs. Thalheimer: They like when they compete with their friends.

Mr. Toro: They just like to run.

It lasts about three months.

How long have you been working at Schoharie Central School?

About 5 years

What was your favorite video game as a kid?

Mario Kart

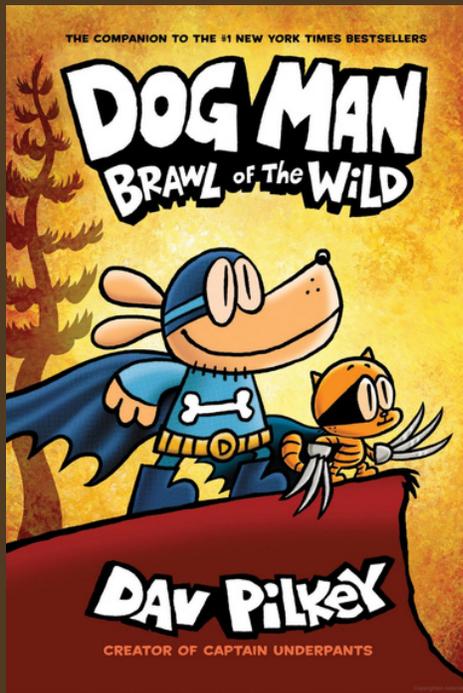

These are some fun facts about Gaming Club. Hopefully, next year we will have it again. Maybe you can join Gaming Club then, too!

BOOK REVIEWS

Dog Man: Brawl of the Wild by Dav Pilkey

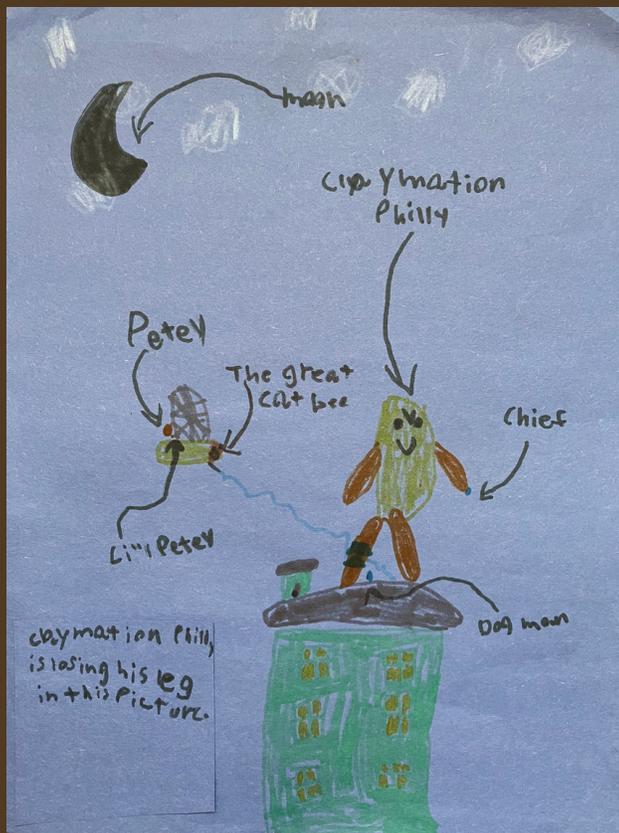

A book review by: Kayson Rossler

Dog Man is sent to the pound for a bank robbery. However, he didn't commit the crime! Sarah Hatoff, Li'l Petey, 80-HD, Chief, and Yolay Caprese try to help Dog Man. Read to find out how Dog Man gets out of the pound.

I would recommend this book to 2nd - 5th graders because the book is a graphic novel, so it is like a comic with lots of pictures and drawings. This way, the younger kids can enjoy the story too! The story has handwriting and it is the best handwriting you will see.

My favorite part of the story is the big fight between the "good guys," 80-HD, Li'l Petey, Petey, Dogman, Chief Sarah, and Zuzu, and the "bad guys," Piggy, Bub, and Crunky. The "bad guys" run away, and later, Claymation Philly joins them. It is my favorite part because there is a lot of action, including using claws as a tool. They also put out a big fire with Dog Man's barf - gross! Read to find out who wins!

SCHOHARIE SUPER CITIZENS!

By: Gideon Alescio, Elias Clemente, Austyn Mickel, and Emma Waters

Hello and welcome to the newspaper of Schoharie Central School! In elementary school, everyone gets to improve their behavior. Out of each class, the teachers pick someone who shows the character trait of the month. The first newspaper this year included the Super Citizens who won the September to January awards. The following are some character traits that we have worked toward since that time.

In February, it was sportsmanship, and then it was courage in March. After March, it was perseverance in April. Right after April, it was kindness for May. The last character trait is generosity for June.

Please take some time to read the names of our winners. We have also included our Sweethearts and Heroes Nominees, students who helped overcome bullying and who were awesome community members.

 Krepcio/Hileman: Adam Cote & Emma Waters

Finally, the school year has come to an end! The entire Elementary school has really improved their behavior! Everyone is a Schoharie Super Citizen in some way! We should all keep trying to improve our character.

Thank you for reading our newspaper! This is the last one for the year. We hope you like it! It was really fun making this! Have a fantastic summer!
