

new Arrival and Dismissal Procedures

All individuals must complete the COVID screening attestation form at least 15 minutes prior to arriving at school or getting on a bus. Forms can be completed online at: <https://entry.neric.org/schoharie>

At arrival, a **staff member that works with each cohort will be present at 8:55 to greet their students.** All students will join their cohort line outside, remaining six feet apart with masks on. All students and staff will enter and exit through assigned areas spread throughout the building.

Please be reminded no bus passes will be accepted. We cannot allow changes to transportation plans without at least two weeks notice. You must submit all changes by using the Alternate Location Transportation Request Form, and if approved they will be considered permanent.

Thank you so much for your cooperation in keeping our Schoharie School Community safe and aiding our ability to get your child dismissed to you promptly and safely under COVID-19 guidelines.

PARENT TRANSPORT

There will be a loading/unloading only **drive-through Drop Off/Pick Up Zone** (the crosswalk area within the parking lot in front of the elementary school).

We **cannot allow parking at all** to walk your child to or from the building during arrival or dismissal.

Please pull up to the Drop Off/Pick Up Zone and *remain in your car.*

Please keep traffic moving in a safe, orderly manner. Do not park, wait, or move around other vehicles in line.

There will be no staff supervision prior to 8:55. Please wait in line and have your child ready to exit quickly and safely when you pull up at the crosswalk, beginning at 8:55.

At arrival, staff members will be stationed at the crosswalk to safely escort your child across the traffic lane in front of the school.

Parent pick up at dismissal will occur between 2:35-2:45. If you arrive after this time period, you will be asked to wait in the Drop Off/Pick Up Zone until all of the buses are loaded and have left the property.

At dismissal, a staff member will escort your child across the traffic lane in front of school at 2:35. Your child may enter your vehicle when you pull up to him/her. Again, please do not park, wait, or move around other vehicles in line, even if you have your child in your vehicle.

BUSES

Buses will drop off students at pre-determined locations in front of their teacher or cohort support staff for arrival.

At dismissal, buses will line up in front of the school. Students will be called in small sections beginning at 2:45 to load buses. Buses will depart by 2:55.

BREAKFAST

Students who want a school provided breakfast will be given a meal to eat at home the following morning. *No breakfast will be provided for students to eat at school upon arrival.*

Due to restrictions involving the management of parent transport and COVID screening attestations, please refrain from entering the building to speak in person with the main office or staff during arrival and dismissal times until further notice. Please note visitors are not allowed due to COVID-19 guidelines.
